§18–3003.

The purposes of the Program are to:

- (1) Connect college and university students, recent graduates, and veterans with small innovative businesses in the high–growth technology sector through internships;
- (2) Encourage high–achieving students at institutions of higher education in the State to remain in the State after graduation;
- (3) Increase student understanding of employment opportunities in the State;
- (4) Create connections between students and community business leaders and entrepreneurs and develop opportunities for student involvement in communities;
- (5) Assist small technology–based businesses in developing internship programs and recruiting future employees; and
- (6) Foster business retention and development, job creation, workforce development, and new investment in the State.
